OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 1 July 1970

25X1 1. [] Mr. Victor Zafra, Bureau of the Budget (now referred to as The Office of Management and Budget), called and suggested certain changes in our proposed report to Representative Henderson on the Ervin bill (S. 782). These changes included a statement that The Office of Management and Budget advised that enactment of S. 782 in its present form is not consistent with the Administration's program. Mr. Zafra added that all departmental reports received were negative, and he is clearing out these reports today since he will be on leave for one month.
